Payment Type: _____

Early Falcon Car Club of Queensland Inc.

The club was founded in 1986 in the car park at JC Slaughter falls, Mt Cootha and was an annual event until parking became an issue. Since then, the club has grown to 90 plus members driving a range of vehicles. Membership to the club is open to anyone and typically attracts people who own or have an interest in early model Fords.

Objectives

To bring together people who own or have an interest in the Ford Falcon Motor Vehicle

To promote motor sport activities and social gatherings to which members and their invited guests can enjoy meeting persons with similar interests.

To seek and obtain various discounts with business houses and exchange technical advice to its members.

To liaise with other clubs so as to broaden the clubs knowledge and raise the public awareness to the club.

To participate in and organise when required activities of a sporting nature deemed relevant by the clubs membership committee.

The assets and income of the organisation shall be applied exclusively to the promotion of its object and no portion shall be paid or distributed directly or indirectly to the members of the organisation except as bona fide remuneration for services rendered or expenses incurred on behalf of the organisation.

Club Benefits Available

Our website is open for all members to participate - posting bulletins, uploading photo's and information on their cars, and organising events or club runs.

Newsletters, meeting minutes and club events are available electronically as a PDF from the club website.

We have a wide range of Club merchandise, including shirts, jackets, long sleeve sublimated shirts, caps, hats, stickers and grill badges to promote the club when attending events, swap meets etc.

Club meetings are held on the last Tuesday of every month.

Please check the club website <https://earlyfalconcarclub.com/events> for venue details.
